[Route from hotel to fire pit](#)

Exit hotel and turn left. Walk to corner and turn right on Clark St. Walk to Sheridan Rd and cross Sheridan Rd. Turn left and walk either on sidewalk or through grass to the path along the lakefront. When Sheridan Rd curves left (and the walking path curves right) follow the walking path as it curves right along the parking lot. When path ends at the water, turn left. Turn right to go over the foot bridge and follow path left after bridge to fire pit.
